By filling out this Skip-A-Payment amendment to loan agreement request form:

- 1. I/We understand there is a \$35 processing fee for the loan payment I choose to skip.
- 2. I/We understand the deferring my loan payment will result in an extension of the original term and that interest will continue to accrue at the rate disclosed in my original loan agreement. I/We will therefore have to make extra payment(s) after my loan would otherwise have been paid off. All other terms and conditions of my loan agreement remain in force.
- 3. When payments resume, unpaid interest will be collected first. I agree that I will resume making scheduled payments beginning with the payment due during the month following the deferral and will make all scheduled payments due thereafter. I understand that all these payments will be applied first to finance charges and late charges, if any, and then to principal.
- 4. I/We are aware that by skipping a payment the benefit from debt protection products and GAP policies may be reduced by the amount of the payment skipped.
