Membership and Account Agreement

This Agreement covers the rights and responsibilities concerning your accounts and the rights and responsibilities of the credit union providing this Agreement (credit union). In this Agreement, the words **you** and **yours** mean anyone who signs an Account Card or Account Change Card (Account Card or any other account opening document). The words **we**, **us**, and **our** mean the credit union. The word **account** means any one (1) or more share or other accounts you have with the credit union.

Your account type(s) and ownership features are designated on your Account Card. By signing an Account Card, each of you, jointly and severally, agree to the terms and conditions in this Agreement and Account Card, the Funds Availability Policy Disclosure, Truth-in-Savings Disclosure, Electronic Funds Transfer Agreement and Disclosure, Privacy Notice Disclosure, any Account Deposit Receipt accompanying this Agreement, the credit union's bylaws and policies, and any amendments to these documents from time to time which collectively govern your membership and accounts.

1. MEMBERSHIP ELIGIBILITY — To join the credit union you must meet the membership requirements including purchase and maintenance of the minimum required share(s) ("membership share") as set forth in the credit union's bylaws. You authorize us to check your account, credit and employment history, and obtain reports from third parties, including credit reporting agencies, to verify your eligibility for the accounts and services you request.

2. INDIVIDUAL ACCOUNTS — An individual account is an account owned by one (1) member (individual, corporation, partnership, trust or other organization) qualified for credit union membership. If the account owner dies, the interest passes, subject to applicable law, to the account owner's estate or Payable on Death (POD) beneficiary/payee or trust beneficiary, subject to other provisions of this Agreement governing our protection for honoring transfer and withdrawal requests of an owner or owner's agent prior to notice of an owner's death and to any security interest or pledge granted by the account owner and subject to our statutory lien rights.

3. JOINT ACCOUNTS — A joint account is an account owned by two (2) or more persons.

a. Rights of Survivorship. Unless otherwise stated on the Account Card, a joint account includes rights of survivorship. This means when one (1) owner dies, all sums in the account will pass to the surviving owner(s). A surviving owner's interest is subject to the credit union's statutory lien for the deceased owner's obligations, and to any security interest or pledge granted by a deceased owner, even if a surviving owner did not consent to it.

b. Control of Joint Accounts. Any owner is authorized and deemed to act for any other owner(s) and may instruct us regarding transactions and other account matters. Each owner guarantees the signature of any other owner(s). Any owner may withdraw all funds, stop payment on items, transfer, or pledge to us all or any part of the shares without the consent of the other owner(s). We have no duty to notify any owner(s) about any transaction. We reserve the right to require written consent of all owners for any change to or termination of an account. If we receive written notice of a dispute between owners or inconsistent instructions from them, we may suspend or terminate the account and require a court order or written consent from all owners to act.

c. Joint Account Owner Liability. If an item deposited in a joint account is returned unpaid, a joint account is overdrawn, or if we do not receive final payment on a transaction, the owners, jointly and severally, are liable to us for the amount of the returned item, overdraft, or unpaid amount and any charges, regardless of who initiated or benefited from the transaction. If any account owner is indebted to us, we may enforce our rights against any account of the indebted owner, including all funds in the joint account regardless of who contributed the funds in the account.

4. POD/TRUST ACCOUNT DESIGNATIONS — A Payable on Death (POD) account or trust account designation is an instruction to the credit union that an individual or joint account so designated is payable to the owner(s) during his, her or their lifetimes and, when the last account owner dies, payable to all and surviving POD or trust beneficiaries/payees. If there is more than one (1) surviving beneficiary/payee, the account is owned jointly by such beneficiaries/payees without rights of survivorship upon the death of the last account owner. Unless otherwise provided in the written contract, where two (2) or more beneficiaries are designated, upon the death of the account owner, each surviving beneficiary shall be paid a per capita share of the account balance. Any POD or trust beneficiary/payee designation shall not apply to Individual Retirement Accounts (IRAs). We are not obligated to notify any beneficiary/payee of the existence of any account or the vesting of the beneficiary/payee's interest in any account, except as otherwise provided by law. This paragraph does not apply to an account held on behalf of or held in the name of a trust.

5. ACCOUNTS FOR MINORS — We may require any account established by a minor to be a joint account with an owner who has reached the age of majority under state law and who shall be jointly and severally liable to us for any returned item, overdraft, or unpaid charges or amounts on such account. We may pay funds directly to the minor without regard to his or her minority. Unless a guardian or parent is an account owner, the guardian or parent shall not have any account access rights. We have no duty to inquire about the use or purpose of any transaction. We will not change the account status when the minor reaches the age of majority unless authorized in writing by all account owners.

6. UNIFORM TRANSFERS/GIFTS TO MINORS ACCOUNT — A Uniform Transfers/Gifts to Minors Account (UTMA/UGMA) is an individual account created by a custodian who deposits funds as an irrevocable gift to a minor. The minor to whom the gift is made is the beneficiary of the custodial property in the account. The custodian has possession and control of the account for the exclusive right and benefit of the minor and, barring a court order otherwise, is the only party entitled to make deposits, withdrawals, or close the account. We have no duty to inquire about the use or purpose of any transaction. If the custodian dies, we may suspend the account until we receive instructions from any person authorized by law to withdraw funds or a court order authorizing withdrawal.

7. DEPOSIT OF FUNDS REQUIREMENTS — Funds may be deposited to any account, in any manner approved by the credit union in accordance with the requirements as set forth in the Truth-in-Savings Disclosure. Deposits made by mail, at night depositories or at unstaffed facilities are not our responsibility until we receive them. We reserve the right to refuse or to return any deposit.

a. Endorsements. We may accept transfers, checks, drafts, and other items for deposit into any of your accounts if they are made payable to, or to the order of, one (1) or more account owners even if they are not endorsed by all payees. You authorize us to supply missing endorsements of any owners if we choose. If a check, draft or item that is payable to two (2) or more persons is ambiguous as to whether it is payable to either or both, we may process the check, draft or item as though it is payable to either person. If an insurance, government, or other check or draft requires an endorsement, we may require endorsement as set forth on the item. Endorsements must be made on the back of the share draft or check within 1½ inches from the top edge, although we may accept endorsements outside this space. However, any loss we incur from a delay or processing error resulting from an irregular endorsement or other markings by you or any prior endorser will be your responsibility.

b. Collection of Items. We act only as your agent and we are not responsible for handling items for deposit or collection beyond the exercise of ordinary care. We are not liable for the negligence of any correspondent or for loss in transit, and each correspondent will only be liable for its own negligence. We may send any item for collection. Items drawn on an institution located outside the United States are handled on a collection basis only. You waive any notice of nonpayment, dishonor, or protest regarding items we purchase or receive for credit or collection to your account. We reserve the right to pursue collection of previously dishonored items at any time, including giving a payor financial institution extra time beyond any midnight deadline limits.

c. Restrictive Legends. Some checks and drafts contain restrictive legends or similar limitations on the front of the item. Examples of restrictive legends include “two signatures required”, “void after 60 days” or “not valid over \$500.” We are not liable for payment of any check or draft contrary to a restrictive legend or other limitation contained in or on the item unless we have specifically agreed in writing to the restrictions or limitations.

d. Final Payment. All items or Automated Clearing House (ACH) transfers credited to your account are provisional until we receive final payment. If final payment is not received, we may charge your account for the amount of such items or ACH transfers and impose a return item charge on your account. Any collection fees we incur may be charged to your account. We reserve the right to refuse or return any item or funds transfer.

e. Direct Deposits. We may offer preauthorized deposits (e.g., payroll checks, Social Security or retirement checks, or other government checks) or preauthorized transfers from other accounts. You must authorize direct deposits or preauthorized transfers by filling out a separate form. You must notify us at least 30 days in advance to cancel or change a direct deposit or transfer option. If your account is overdrawn, you authorize us to deduct the amount your account is overdrawn from any deposit, including deposits of government payments or benefits. Upon a bankruptcy filing, unless you cancel the authorization, we will continue applying payments from direct deposits in accordance with your authorization on file with us. If we are required to reimburse the U.S. Government for any benefit payment directly deposited into your account, we may deduct the amount returned from any of your accounts, unless prohibited by law.

f. Crediting of Deposits. Deposits made after the deposit cut-off time and deposits made on either holidays or days that are not our business days will be credited to your account on the next business day.

8. ACCOUNT ACCESS —

a. Authorized Signature. Your signature on the Account Card authorizes your account access. We will not be liable for refusing to honor any item or instruction if we believe the signature is not genuine. If you have authorized the use of a facsimile signature, we may honor any check or draft that appears to bear your facsimile signature even if it was made by an unauthorized person. You authorize us to honor transactions initiated by a third person to whom you have given your account number even if you do not authorize a particular transaction.

b. Access Options. You may withdraw or transfer funds from your account(s) in any manner we permit (e.g., at an automated teller machine, in person, by mail, Internet access, automatic transfer, or telephone, as applicable). We may return as unpaid any check or draft drawn on a form we do not provide, and you are responsible for any loss we incur handling such a check or draft. We have the right to review and approve any form of power of attorney and may restrict account withdrawals or transfers. We are under no obligation to honor any power of attorney.

c. Credit Union Examination. We may disregard information on any check or draft other than the signature of the drawer, the amount and any magnetic encoding. You agree we do not fail to exercise ordinary care in paying an item solely because our procedures do not provide for sight examination of items.

9. ACH & WIRE TRANSFERS — Except as amended by this Agreement, electronic funds transfers we permit that are subject to Article 4A of the Uniform Commercial Code will be subject to such provisions of the Uniform Commercial Code as enacted by the state where the main office of the credit union is located. We may execute certain requests for electronic funds transfers by Fedwire. Fedwire transactions are subject to Federal Reserve Board Regulation J. You may order electronic funds transfers to or from your account. We will debit your account for the amount of an electronic funds transfer and will charge your account for any fees related to the transfer. Unless we agree otherwise in writing, we reserve the right to refuse to execute any order to transfer funds to or from your account. We are not obligated to execute any order to transfer funds out of your account if the amount of the requested transfer plus applicable fees exceeds the available funds in your account. We are not liable for errors, delays, interruptions or transmission failures caused by third parties or circumstances beyond our control including mechanical, electronic or equipment failure. We will not provide you with next day notice of ACH, wire transfers and other electronic payments credited to your account. You will receive notice of such credits on your account statements. You may contact us to determine whether a payment has been received. If we fail to properly execute a payment order, and such action results in a delay in payment to you, we will pay you dividends or interest for the period of delay as required by applicable law. The dividends or interest paid to you will be based on the lowest nominal dividend or interest rate we were paying on any account during that period. Payment orders we accept will be executed within a reasonable time of receipt but may not necessarily be executed on the date they are received. Cut-off times may apply to the receipt, execution and processing of funds transfers, payment orders, cancellations, and amendments and, if received after a cut-off time, may be treated as having been received on the next following funds transfer business day. Information about any cut-off times is available upon request. From time to time, we may need to suspend processing of a transaction for greater scrutiny or verification in accordance with applicable law, and this action may affect settlement or availability of the transaction. When you initiate a wire transfer, you may identify the recipient and any financial institution by name and by account or identifying number. The credit union and any other financial institutions facilitating the transfer may rely strictly on the account or identifying number even if the number identifies a different person or financial institution. Any account owner may amend or cancel a payment order even if that person did not initiate the order. We may refuse requests to amend or cancel a payment order that we believe will expose the credit union to liability or loss. Any request to amend or cancel a payment order that we accept will be processed within a reasonable time after it is received. You agree to hold us harmless from and indemnify us for all losses and expenses resulting from any actual or attempted amendment or cancellation of a payment order. We may require you to follow a security procedure to execute a payment order or certain electronic funds transfer transactions. We will notify you of any such security procedures and you agree that our security procedures are commercially reasonable.

10. ACCOUNT RATES AND FEES — We pay account earnings and assess fees against your account as set forth in the Truth-in-Savings Disclosure or Schedule of Fees and Charges. We may change the Truth-in-Savings Disclosure or Schedule of Fees and Charges at any time and will notify you as required by law.

11. TRANSACTION LIMITATIONS —

a. Withdrawal Restrictions. We will pay checks or drafts, permit withdrawals and make transfers from available funds in your account. The availability of funds in your account may be delayed as described in our Funds Availability Policy Disclosure. We may also pay checks or drafts, permit withdrawals and make transfers from your account from insufficient available funds if you have established an overdraft protection plan or, if you do not have such a plan with us, according to our overdraft payment policy.

We may refuse to allow a withdrawal in some situations, and will advise you accordingly: for example, (1) a dispute between account owners (unless a court has ordered the credit union to allow the withdrawal); (2) a legal garnishment or attachment is served; (3) the account secures any obligation to us; (4) required documentation has not been presented; or (5) you fail to repay a credit union loan on time. We may require you to give written notice of seven (7) days to 60 days before any intended withdrawals.

b. Transfer Limitations. We may limit the dollar amount or the number of transfers from your account. Please consult your Truth-in-Savings Disclosure or your Electronic Funds Transfer Agreement and Disclosure.

12. CERTIFICATE ACCOUNTS — Any certificate account allowed by state law (certificate account), whichever we offer, is subject to the terms of this Agreement, the Truth-in-Savings Disclosure and Account Deposit Receipt for each account, the terms of which are incorporated herein by reference.

13. OVERDRAFTS —

a. Payment of Overdrafts. If, on any day, the available funds in your share or deposit account are not sufficient to pay the full amount of a check, draft, transaction, or other item posted to your account plus any applicable fee ("overdraft"), we may pay or return the overdraft. The Credit Union's determination of an insufficient available account balance may be made at any time between presentation and the Credit Union's midnight deadline with only one (1) review of the account required. We do not have to notify you if your account does not have sufficient available funds to pay an overdraft. Your account may be subject to a charge for each overdraft regardless of whether we pay or return the overdraft. For ATM and one-time debit transactions, you must consent to the Credit Union's overdraft protection plan in order for the transaction amount to be covered under the plan. Without your consent, the Credit Union may not authorize and pay an overdraft resulting from these types of transactions. Services and fees for overdrafts are shown in the document the Credit Union uses to capture the member's opt-in choice for overdraft protection and the Schedule of Fees and Charges.

Except as otherwise agreed in writing, if we exercise our right to use our discretion to pay an overdraft, we do not agree to pay overdrafts in the future and may discontinue covering overdrafts at any time without notice. If we pay an overdraft or impose a

fee that overdraws your account, you agree to pay the overdrawn amount in accordance with your overdraft protection plan or, if you do not have such a plan with us, in accordance with our overdraft payment policy. Under certain circumstances, you may need to opt-in to request overdraft coverage.

b. Order of Payments. We generally post items in the following order: 1) ATM and debit card transactions (in the order received) 2) ACH credits, 3) ACH debits (in the order received), 4) checks (check number order).]; however, exceptions will occur. Holds on funds (described below) and the order in which transactions are posted may impact the total amount of Overdraft Fees or Returned NSF Fees assessed.

14. POSTDATED AND STALEDATED DRAFTS — You agree not to issue any check or draft that is postdated. If you do issue a check or draft that is payable on a future date and we pay it before that date, you agree that we shall have no liability to you for such payment. You agree not to deposit checks, drafts, or other items before they are properly payable. We are not obligated to pay any check or draft drawn on your account that is presented more than six (6) months past its date.

15. STOP PAYMENT ORDERS —

a. Stop Payment Order Request. Any owner may request a stop payment order on any check or draft drawn on the owner's account. To be binding the order must be in writing, dated, signed, and must accurately describe the check or draft including the exact account number, check or draft number and the exact amount of the check or draft. This exact information is necessary for the credit union's computer to identify the check or draft. If we receive incorrect or incomplete information, we will not be responsible for failing to stop payment on the check or draft. In addition, we must receive sufficient advance notice of the stop payment order to allow us a reasonable opportunity for us to act on it. If we recredit your account after paying a check or draft over a valid and timely stop payment order, you agree to sign a statement describing the dispute with the payee, to assign to us all of your rights against the payee or other holders of the check or draft and to assist us in any legal action.

b. Duration of Order. Oral stop payment orders for checks or drafts will lapse within 14 calendar days unless confirmed in writing within that time. Written stop payment orders for checks or drafts are effective for six (6) months and may be renewed for additional six (6) month periods by requesting in writing that the stop payment order be renewed within a period during which the stop payment order is effective. We are not required to notify you when a stop payment order expires. Not applicable for Automated Clearing House items where the stop payment has no expiration date.

c. Liability. Fees for stop payment orders are set forth in the Truth-in-Savings Disclosure or Schedule of Fees and Charges. You may not stop payment on any certified check, cashier's check, teller's check, or any other check, draft, or payment guaranteed by us. Although payment of an item may be stopped, you may remain liable to any item holder, including us. You agree to indemnify and hold the credit union harmless from all costs, including attorney's fees, damages or claims related to our refusing payment of an item, including claims of any joint account owner, payee, or endorsee in failing to stop payment of an item as a result of incorrect information provided by you.

16. CREDIT UNION LIABILITY — If we do not properly complete a transaction according to this Agreement, we will be liable for your losses or damages not to exceed the amount of the transaction, except as otherwise provided by law. We will not be liable if: (1) your account contains insufficient funds for the transaction; (2) circumstances beyond our control prevent the transaction; (3) your loss is caused by your or another financial institution's negligence; or (4) your account funds are subject to legal process or other claim. We will not be liable for consequential damages, except liability for wrongful dishonor. We exercise ordinary care if our actions or non-actions are consistent with applicable state law, Federal Reserve regulations and operating letters, clearinghouse rules, and general financial institution practices followed in the area we serve. You grant us the right, in making payments of deposited funds, to rely exclusively on the form of the account and the terms of this Agreement. Any conflict between what you or our employees may say or write will be resolved by reference to this Agreement.

17. CHECKS PRESENTED FOR PAYMENT IN PERSON — We may refuse to accept any check or draft drawn on your account that is presented for payment in person. Such refusal shall not constitute a wrongful dishonor of the check or draft and we shall have no liability for refusing payment.

18. REMOTELY CREATED CHECKS — For purposes of this paragraph, "account" means a transaction account, credit account, and any other account on which checks (share drafts) may be drawn. A remotely created check is a check created by someone other than the person on whose account the check is drawn. A remotely created check is generally created by a third party payee as authorized by the owner of the account on which the check is drawn. Authorization is usually made over the telephone or through on-line communication. The owner of the account does not sign a remotely created check. In place of the owner's signature, the remotely created check usually bears a statement that the owner authorized the check or bears the owner's printed or typed name. If you authorize a third party to draw a remotely created check against your account, you may not later revoke your authorization. It is your responsibility to resolve any authorization issues directly with the third party. We are not required to credit your account and may charge against your account any remotely created check for which the third party has proof of your authorization.

19. PLEDGE/STATUTORY LIEN — Unless prohibited by law, you pledge and grant as security for all obligations you may have now or in the future, except obligations secured by your principal residence, all shares and dividends and all deposits and interest, if any, in all accounts you have with us now and in the future. If you pledge a specific dollar amount in your account for a loan, we will freeze the funds in your account(s) to the extent of the outstanding balance of the loan or, if greater, the amount of the pledge if the loan is a revolving loan. Otherwise, funds in your pledged account(s) may be withdrawn unless you are in default. Federal or state law, depending upon whether we have a federal or state charter, gives us a lien on all shares and dividends and all deposits and interest, if any, in accounts you have with us now and in the future. Except as limited by state or

federal law, the statutory lien gives us the right to apply the balance of all your accounts to any obligation on which you are in default. After you are in default, we may exercise our statutory lien rights without further notice to you.

Your pledge and our statutory lien rights will allow us to apply the funds in your account to what you owe when you are in default, except as limited by state or federal law. If we do not apply the funds in your account(s) to satisfy your obligation, we may place an administrative freeze on your account(s) in order to protect our statutory lien rights and may apply the funds in your account(s) to the amount you owe us at a later time. The statutory lien and your pledge do not apply to any Individual Retirement Account or any other account that would lose special tax treatment under state or federal law if given as security. By not enforcing our right to apply funds in your account to your obligations that are in default, we do not waive our right to enforce these rights at a later time.

20. LEGAL PROCESS — If any legal action is brought against your account, we may pay out funds according to the terms of the action or refuse any payout until the dispute is resolved. Any expenses or attorney fees we incur responding to legal process may be charged against your account without notice, unless prohibited by law. Any legal process against your account is subject to our lien and security interest.

21. ACCOUNT INFORMATION — Upon request, we will give you the name and address of each agency from which we obtain a credit report regarding your account. We agree not to disclose account information to third parties except when: (1) it is necessary to complete a transaction; (2) the third party seeks to verify the existence or condition of your account in accordance with applicable law; (3) such disclosure complies with the law or a government agency or court order; or (4) you give us written permission.

22. NOTICES —

a. Name or Address Changes. You are responsible for notifying us of any address or name change. The credit union is only required to attempt to communicate with you at the most recent address you have provided to us. We may require all name and address changes to be provided in writing. If we attempt to locate you, we may impose a service fee as set forth in the Truth-in-Savings Disclosure or Schedule of Fees and Charges.

b. Notice of Amendments. Except as prohibited by applicable law, we may change the terms of this Agreement. We will notify you of any change in terms, rates, or fees as required by law. We reserve the right to waive any term in this Agreement. Any such waiver shall not affect our right to future enforcement.

c. Effect of Notice. Any written notice you give us is effective when we receive it. Any written notice we give to you is effective when it is deposited in the U.S. mail, postage prepaid and addressed to you at your statement mailing address. Notice to any account owner is considered notice to all account owners.

d. Electronic Notices. If you have agreed to receive notices electronically, we may send you notices electronically and discontinue mailing paper notices to you until you notify us that you wish to reinstate receiving paper notices.

23. TAXPAYER IDENTIFICATION NUMBERS AND BACKUP WITHHOLDING — Your failure to furnish a correct Taxpayer Identification Number (TIN) or meet other requirements may result in backup withholding. If your account is subject to backup withholding, we must withhold and pay to the Internal Revenue Service (IRS) a percentage of dividends, interest, and certain other payments. If you fail to provide your TIN, we may suspend opening your account.

24. STATEMENTS —

a. Contents. If we provide a periodic statement for your account, you will receive a periodic statement of transactions and activity on your account during the statement period as required by applicable law. If a periodic statement is provided, you agree that only one (1) statement is necessary for joint accounts. For share draft or checking accounts, you understand and agree that your original check or draft, when paid, becomes property of the credit union and may not be returned to you, but copies may be retained by us or be payable through financial institutions and made available upon your request. You understand and agree that statements are made available to you on the date they are sent to you. You also understand and agree that checks, drafts or copies thereof are made available to you on the date the statement is sent to you, even if the checks or drafts do not accompany the statement.

b. Examination. You are responsible for promptly examining each statement upon receiving it and reporting any irregularities to us. If you fail to report any irregularities such as forged, altered, unauthorized, unsigned, or otherwise fraudulent items drawn on your account, erroneous payments or transactions, or other discrepancies reflected on your statement within 33 days of the date we sent the statement to you, we will not be responsible for your loss. We also will not be liable for any items that are forged or altered in a manner not detectable by a reasonable person, including the unauthorized use of a facsimile signature machine.

c. Notice to Credit Union. You agree that the credit union's retention of checks or drafts does not alter or waive your responsibility to examine your statements or the time limit for notifying us of any errors. The statement will be considered correct for all purposes and we will not be liable for any payment made or charged to your account unless you notify us in writing within the above time limit for notifying us of any errors. If you fail to receive a periodic statement, you agree to notify us within 14 days of the time you regularly receive a statement.

25. INACTIVE ACCOUNTS — If your account falls below any applicable minimum balance and you have not made any transactions over a period specified in the Truth-in-Savings Disclosure or Schedule of Fees and Charges, we may classify your account as inactive or dormant. Unless prohibited by applicable law, we may charge a service fee, as set forth in the Truth-in-

Savings Disclosure or Schedule of Fees and Charges, for processing your inactive account. If we impose a fee, we will notify you, as required by law, at your last known address. You authorize us to transfer funds from another account of yours to cover any service fees, if applicable. To the extent allowed by law, we reserve the right to transfer the account funds to an account payable and to suspend any further account statements. If a deposit or withdrawal has not been made on the account and we have had no other sufficient contact with you within the period specified by state law, the account will be presumed to be abandoned. Funds in abandoned accounts will be reported and remitted in accordance with state law. Once funds have been turned over to the state, we have no further liability to you for such funds and if you choose to reclaim such funds, you must apply to the appropriate state agency.

26. SPECIAL ACCOUNT INSTRUCTIONS — You may request that we facilitate certain trust, will, or court-ordered account arrangements. However, because we do not give legal advice, we cannot counsel you as to which account arrangement most appropriately meets the specific requirements of your trust, will, or court order. If you ask us to follow any instructions that we believe might expose us to claims, lawsuits, expenses, liabilities, or damages, whether directly or indirectly, we may refuse to follow your instructions or may require you to indemnify us or post a bond or provide us with other protection. Account changes requested by you, or any account owner, such as adding or closing an account or service, must be evidenced by a signed Account Change Card and accepted by us.

27. TERMINATION OF ACCOUNT — We may terminate your account at any time without notice to you or may require you to close your account and apply for a new account if: (1) there is a change in owners or authorized signers; (2) there has been a forgery or fraud reported or committed involving your account; (3) there is a dispute as to the ownership of the account or of the funds in the account; (4) any checks or drafts are lost or stolen; (5) there are excessive returned unpaid items not covered by an overdraft protection plan; (6) there has been any misrepresentation or any other abuse of any of your accounts; or (7) we reasonably deem it necessary to prevent a loss to us. You may terminate an individual account by giving written notice. We reserve the right to require the consent of all owners to terminate a joint account. We are not responsible for payment of any check, draft, withdrawal, or other item after your account is terminated; however, if we pay an item after termination, you agree to reimburse us.

28. TERMINATION OF MEMBERSHIP — You may terminate your membership by giving us written notice or by withdrawing your minimum required membership share, if any, and closing all your accounts. You may be denied services for causing a loss to the credit union or you may be expelled for any reason as allowed by applicable law.

29. DEATH OF ACCOUNT OWNER — We may continue to honor all transfer orders, withdrawals, deposits and other transactions on an account until we know of a member's death. Once we know of a member's death, we may pay checks or drafts or honor other payments or transfer orders authorized by the deceased member for a period of ten (10) days after that date unless we receive instructions from any person claiming an interest in the account to stop payment on the checks, drafts or other items. We may require anyone claiming a deceased owner's account funds to indemnify us for any losses resulting from our honoring that claim. This Agreement will be binding upon any heirs or legal representatives of any account owner.

30. SEVERABILITY — If a court holds any portion of this Agreement to be invalid or unenforceable, the remainder of this Agreement shall not be invalid or unenforceable and will continue in full force and effect. All headings are intended for reference only and are not to be construed as part of the Agreement.

31. UNLAWFUL INTERNET GAMBLING AND OTHER ILLEGAL ACTIVITIES — You agree that you are not engaged in unlawful Internet gambling or any other illegal activity. You agree that you will not use any of your accounts, access devices or services for unlawful Internet gambling or other illegal activities. We may terminate your account relationship if you engage in unlawful Internet gambling or other illegal activities.

32. ENFORCEMENT — You are liable to us for any losses, costs or expenses we incur resulting from your failure to follow this Agreement. You authorize us to deduct any such losses, costs or expenses from your account without prior notice to you. If we bring a legal action to collect any amount due under or to enforce this Agreement, we shall be entitled, subject to applicable law, to payment of reasonable attorney's fees and costs, including fees on any appeal, bankruptcy proceedings, and any post-judgment collection actions.

33. GOVERNING LAW — This Agreement is governed by the credit union's bylaws, federal laws and regulations, the laws, including applicable principles of contract law, and regulations of the state in which the credit union's main office is located, and local clearinghouse rules, as amended from time to time. As permitted by applicable law, you agree that any legal action regarding this Agreement shall be brought in the county in which the credit union is located.

34. NEGATIVE INFORMATION NOTICE — We may report information about your loan, share or deposit accounts to credit bureaus. Late payments, missed payments, or other defaults on your accounts may be reflected in your credit report.

FUNDS AVAILABILITY POLICY DISCLOSURE

This Disclosure describes your ability to withdraw funds from all your accounts at 360 Federal Credit Union except for funds deposited to certificate accounts. The Credit Union reserves the right to delay the availability of funds deposited to certificate accounts for periods longer than those disclosed in this policy. Please ask us if you have a question about which accounts are affected by this policy.

1. GENERAL POLICY — Our policy is to make funds from your cash and check deposits made in person to one of our employees available to you on the same business day that we receive your deposit with next day availability if conditions aren't met. Any deposits that are not made in person to one of our employees will not be available until the second business day after the date of your deposit. Electronic direct deposits will be available on the day we receive the deposit, unless they involve an International ACH Transaction (see below for more information on International ACH Transactions). Once they are available, you can withdraw the funds in cash and we will use the funds to pay checks that you have written. For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. If you make a deposit before close of business on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after close of business or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

2. RESERVATION OF RIGHT TO HOLD — In some cases, we will not make all of the funds that you deposit by check available to you on the same business day that we receive your deposit. Funds may not be available until the second (2nd) business day after the day of your deposit. However, the first \$225.00 of your deposit will be available on the first business day after the day of your deposit. If we are not going to make all of the funds from your deposit available on the same business day, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees or if we decide to take this action after you have left the premises, we will mail you the notice by the next business day after we receive your deposit. If you will need the funds from a deposit right away, you should ask us when the funds will be available.

3. HOLDS ON OTHER FUNDS — If we cash a check for you that is drawn on another financial institution, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it. If we accept for deposit a check that is drawn on another financial institution, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this Disclosure for the type of check that you deposited.

4. LONGER DELAYS MAY APPLY — We may delay your ability to withdraw funds deposited by check into your account an additional number of days for these reasons:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than \$5,525.00 on any one (1) day.
- You deposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six (6) months.
- There is an emergency, such as failure of communications or computer equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons and we will tell you when the funds will be available. They will generally be available no later than the seventh (7th) business day after the day of your deposit.

5. SPECIAL RULES FOR NEW ACCOUNTS — If you are a new member, the following special rules will apply during the first 30 days your account is open.

Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5,525.00 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state, and local government checks will be available on the next business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you. The excess over \$5,525.00 will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,525.00 will not be available until the second business day after the day of your deposit. Funds from all other check deposits will be available on the ninth calendar day after the day of your deposit.

6. DEPOSITS AT AUTOMATED/INTERACTIVE TELLER MACHINES — Funds from any deposits (cash or checks) made at Automated Teller Machines (ATMs) or Interactive Teller Machines (ITMs) we do not own or operate will not be available until the second business day after the date of your deposit. This rule does not apply at ATMs or ITMs that we own or operate. All ATMs that we own or operate are identified as our machines. Funds from deposits (cash or checks) made at ATMs or ITMs we own or operate will follow the same availability schedule as making a deposit in person to one of our employees, except that same day availability may not apply to items noted. These deposits may be available the first day after the day of deposit. Cash deposited through ITMs is available immediately. Funds from checks deposited through ITMs that we own or operate will follow the same availability schedule as deposits made through our ATM.

7. FOREIGN CHECKS — Checks drawn on financial institutions located outside the U.S. (foreign checks) cannot be processed the same as checks drawn on U.S. financial institutions. Foreign checks are exempt from the policies outlined in this Disclosure. Generally, the availability of funds for deposits of foreign checks will be delayed for the time it takes us to collect the funds from the financial institutions upon which it is drawn.

8. INTERNATIONAL ACH TRANSACTIONS — International ACH Transactions (IAT) that are transmitted to or from any of your Accounts may be identified and designated by us for review and examination under the Office of Foreign Assets Control Rules and Regulations (OFAC Rules). In such a case, settlement of the IAT may be delayed or suspended, and may be terminated under applicable OFAC Rules. You also acknowledge that we may be required to place an indefinite hold on funds covered by the IAT if the IAT is required to be terminated under OFAC Rules. You agree that any such delay is permissible under the laws applicable to the availability of funds held in deposit Accounts. In the event an IAT is delayed or terminated, we will provide you such notice as may be required by applicable law.

What Else You Should Know

- A transfer from another account or a line of credit is a less expensive option than an overdraft. A single larger overdraft will result in just one fee, as opposed to multiple smaller overdrafts. Good account management is the best way to avoid overdrafts. Use our mobile banking, Internet banking, and telephone banking services to keep track of your balance.
- The \$35 Overdraft Fee is the same fee amount that is charged if a check is returned as unpaid. If multiple items overdraw your account on the same day, each item will be assessed an appropriate Overdraft Fee or a Returned NSF Fee of \$35. All fees and charges will be included as part of the Overdraft Privilege limit amount. Your account may become overdrawn in excess of the Overdraft Privilege limit amount as a result of a fee.
- We generally post items in the following order: 1) ATM and debit card transactions (in the order received) 2) ACH credits, 3) ACH debits (in the order received), 4) checks (check number order).]; however, exceptions will occur. Holds on funds (described below) and the order in which transactions are posted may impact the total amount of Overdraft Fees or Returned NSF Fees assessed.
- Although under payment system rules, 360FCU may be obligated to pay some unauthorized debit card transactions, 360FCU will not authorize debit card or ATM transactions unless there are available funds (including Overdraft Coverage Options) to cover the transactions and any fee(s).
- Giving us your consent to pay every day debit card and ATM overdrafts on your consumer account may result in you incurring Overdraft Fees for transactions that we would otherwise be required to pay without assessing an Overdraft Fee. However, this would allow us to authorize transactions up to the amount of your Overdraft Privilege limit and may also help you avoid overdrafts in excess of your available funds that could result in restriction of your debit card.
- 360FCU authorizes and pays transactions using the available balance in your account. The available balance is comprised of the ledger balance (collected funds) less any debit card holds, and does not include any deposited funds on hold. 360FCU may place a hold on deposited funds in accordance with our Deposit Account Agreement and Disclosure. If the funds in the available balance are not sufficient to cover a transaction, any available overdraft protection and/or the amount of the Overdraft Privilege limit, may be used to authorize and pay a transaction.
- Please be aware that the Overdraft Privilege amount is not included in your balance provided through online banking, mobile banking or 360FCU's ATMs.
- 360FCU will place a hold on your account for any authorized debit card transaction until the transaction settles (usually within two business days) or as permitted by payment system rules. In some cases, the hold may exceed the amount of the transaction. When the hold ends the funds will be added to the available balance in your account. If your account is overdrawn after the held funds are added to the available balance and the transaction is posted to the available balance, an Overdraft Fee may be assessed.
- Except as described in this letter, 360FCU will not pay items if your account does not contain available funds (including the Overdraft Privilege limit) to cover the item(s) and the amount of any fee(s).
- We may restrict your debit card use if you incur overdrafts in excess of the available funds in your account, including any Overdraft Privilege limit. If you use your debit card for recurring payments, e.g., utilities, and your debit card is ever suspended, these transactions will be returned to the payee(s). You will need to make other arrangements to pay make these payments to the payee(s).
- Overdraft Privilege is not a line of credit; it is a discretionary overdraft service that can be withdrawn at any time without prior notice.
- Overdraft Privilege may be discontinued if you default on any loan or other obligation to us, your account becomes subject to any legal or administrative order or levy, or if you fail to maintain your account in good standing by not bringing your account to a positive balance within 32 days for a minimum of one business day.
- Depositor and each Authorized Signatory will continue to be liable, jointly and severally, for all overdraft and fee amounts, as described in the Deposit Account Agreement and Disclosure. The total (negative) balance, including all fees and charges, is due and payable upon demand.

If you have any questions about Overdraft Protection or Overdraft Privilege, please call us at 800-544-4728 or visit a branch.

Electronic Fund Transfers Agreement & Disclosure

This Electronic Fund Transfers Agreement is the contract which covers your and our rights and responsibilities concerning the electronic funds transfer (EFT) services offered to you by 360 Federal Credit Union (credit union). In this Agreement, the words you and yours mean those who sign the application or account card as applicants, joint owners, or any authorized users. The words we, us, and our mean the credit union. The word account means any one or more savings and checking accounts you have with the credit union. The word network refers to any one or more of Visa®, Sum, Plus, CO-OP, Interlink and NYCE networks. The word day refers to a consecutive twenty-four (24) hour time period. Electronic funds transfers are electronically initiated transfers of money from your account through the EFT services described below. By signing an application or account card for EFT services, signing your card, or using any service, each of you, jointly and severally, agree to the terms and conditions in this agreement and any amendments for the EFT services offered.

1. EFT SERVICES — If approved, you may conduct any one or more of the EFT services offered by the credit union.

- a. **ATM Card.** If approved, you may use your card and personal identification number (PIN) in automated teller machines (ATMs) of the credit union and designated networks. If card is not used in twelve consecutive months, on the thirteenth month, an applicable fee will occur.* If the card is not used in eighteen consecutive months, the card will be closed.

At the present time, you may use your card to:

- Make deposits and withdraw funds to your savings accounts at credit union or participating network ATMs.*
- Obtain balance information for your savings accounts.*

The following limitations on the frequency and amount of ATM transactions may apply:

- There is no limit on the number of cash withdrawals you may make in any one day.
- You may withdraw up to a maximum of \$500 in any 24 hour period, if there are sufficient funds in your account.
- For security purposes, there are other limits on the frequency and amount of transfers available at ATMs.

Due to the servicing schedule and processing time required in ATM operations, there may be a delay between the time a deposit (either cash or check) is made and when it will be available for withdrawal.

- b. **Visa® Debit Card.** If approved, you may use your card and PIN in ATMs of the credit union and designated networks. You may use your card without a PIN for certain transactions on the designated networks. You may use your card to purchase goods and services from participating merchants. You may not use your card to initiate any type of gambling transaction. If you wish to pay for goods or services over the Internet, you may be required to provide card number security information before you will be permitted to complete the transaction. You agree that you will not use your card for any transaction that is illegal under applicable federal, state, or local law.

Provisions of this Agreement relating to Visa transactions do not apply to transactions processed through non-Visa Network. To initiate a Visa Debit transaction, you may sign a receipt, provide a card number or swipe your card through a point-of-sale (POS) terminal and choose to route the transaction over a Visa Network. Refer to the Member Liability section of this Agreement for terms and conditions.

Funds to cover your card purchases will be deducted from your checking account. If card is not used in twelve consecutive months, on the thirteenth month an applicable fee will occur.* If the card is not used in eighteen consecutive months, the card will be closed.

For one-time debit transactions, you must consent to the Credit Union's overdraft privilege program with extended coverage. Without your consent, the Credit Union may not authorize and pay an overdraft resulting from these transactions. For other types of transactions, if the balance in your account is not sufficient to pay the transaction amount, the Credit Union may pay the amount and treat the transaction as a request to transfer funds from other deposit accounts, approved overdraft protection accounts, or loan accounts that you have established. If you initiate a transaction that overdraws your account, you agree to make immediate payment of any overdrafts together with any service charges to the Credit Union that you may incur.* In the event of repeated overdrafts, the Credit Union may terminate all services under this Agreement.

You may cancel, edit (date, or payment amount), or request a stop payment* for bill payments under certain circumstances. Your cancellation or edit request must be entered at least three (3) business days before the date the payment is scheduled to be processed. If we don't receive your instruction to edit or cancel a payment instruction before that time, we may process the transaction. See Stop Payment Rights that apply to these payments.

 - c. **Foreign Transactions. Visa** — Purchases and cash advances made in foreign currencies will be debited from your account in U.S. dollars. The exchange rate between the transaction currency and the billing currency used for processing international transactions is a rate selected by Visa from a range of rates available in wholesale currency markets for the applicable central processing date, which rate may vary from the rate Visa itself receives, or the government-mandated rate in effect for the applicable central processing date, in each instance plus an additional 1%. The exchange rate used on the processing date may differ from the rate that would have been used on the purchase date or cardholder statement posting date.
